Camping for the Reunion

Midwest Old Threshers offers a 72-acre campground for visitors to stay. The campground has electrical hookups, two dump stations, four restroom and shower houses, and a non-electrical tent area.

There are 909 campsites with 30-amp, 96 campsites with 50-amp electrical, and 70 Full Service Hookup campsites (Gravel Pad, Sewer, Water, and 50-amp service), for reserved camping during the annual Midwest Old Threshers Reunion.

Midwest Old Threshers Campground
405 E Threshers Road • Mt. Pleasant, IA 52641
The Campground Entrance is located off of S Walnut St.

Reserved Camping Sites Open to the Public on Tuesday, February 10th, 2026 (Phone Calls Only)
for the 2026 Midwest Old Threshers Reunion
Please call (319) 385-8937 to make reservations with Julie.

In-person reservations will start on Wednesday, February 11th at the Midwest Old Threshers business office (405 East Thresher Road, Mount Pleasant, Iowa)

Reserved Camping Rates:
$400 30 amp only, $480 50 amp only, and $720 Full Service Hookup

First Come-First Served Nightly Camping Rates:
$15.00 Tent Camping, $20.00 Regular Camping, $20.00 Generator Camping, $25.00 30 amp electric, $30.00 50 amp electric, $45 Full Service Hookup (All prices are based on a per-night stay.)

• Individuals reserving or purchasing a campsite must be 21 years of age or older to reserve in their name. All campsites must be supervised by a parent, guardian, or chaperone who is 21 or older.

• Only one vehicle per campsite is permitted inside the campground. Additional vehicles must purchase a $10 parking pass for the Long-Term Campground Parking Lot, off-site. Please note that extra vehicles without a pass cannot enter the campground. **Plan accordingly.** Only one additional vehicle parking pass can be purchased in advance with your reservation; others can be bought upon arrival.

• Payment for reservations must be made with cash, a check, or an approved credit card with a 3.5% CC Fee and must be submitted at the time of reservation. Please be aware that insufficient funds, declined cards, or returned checks will void your reservation.

• The 30-amp and 50-amp sites in the main campground do not offer full services. Water is available nearby (50' to 200'), and two on-site dump stations are available upon departure. Alternatively, during the event, you can arrange a pumping service through Camper Hospitality.

• Handicapped sites are limited and assigned on a first-come, first-served basis. These sites are designed to be more accessible for leveling and are conveniently located near amenities such as shower houses, trolley stops, or ground train stops. Campers using handicapped sites must display valid state-issued handicapped identification tags or license plates.

• The reservation fee secures your campsite from August 22nd to the **check-out time of 5 PM** on September 7th, 2026. **This fee is non-refundable and non-transferable.** A letter confirming your reservation details, including the ID number and campsite location, will be mailed to you via USPS First Class Mail. You must present this letter at campground registration upon arrival.

• From August 22nd onwards, campers can secure any available space on a first-come, first-served basis, if not pre-reserved.

• **Camper parking is permitted between 8 AM and 7 PM. No campers will be allowed to park after 7 PM.** To register a campsite, campers must personally visit campground workers, complete registration, and make full payment upon arrival. Payment is required for the entire stay from arrival until check-out at 5 PM on September 7th.

• **Check-out time on Monday (Labor Day) is 5 PM. Staying past 5 PM will incur charges for each additional night.**

• Reservations will be accepted until August 21st, 2026, at 4:00 PM or until all electric sites are booked, whichever occurs first. Any available electric sites after August 21st will be allocated on a first-come, first-served basis. ***Reservations are highly recommended for larger camping units requiring electricity to secure availability.***

• During The Reunion, ground trains and trolleys provide transportation between the campground and the main grounds. Additionally, guests can find groceries and ice at the campground store.

• Individuals are welcome to use personal conveyance vehicles (PCVs), including FDA Class II Medical Devices*, on the Reunion grounds and in the main campgrounds. A vehicle qualifies as a PCV if it does not exceed 48 inches in length or 32 inches in width, is designed to carry a single occupant, and operates on three or more wheels. **Please note that golf carts, ATVs, Gators, lawn mowers, and similar vehicles do not meet the definition of a PCV.**

• During the Reunion, mobility scooters are available for rent on the northeast side of the grounds, behind the Paul Anderson Welcome Center. **Scooter Time Rentals provides scooter rentals for the Reunion. Contact them today at 1-423-569-1933 or via email at info@scootertime.com. For more information, visit their website at www.scootertime.com.**
